

## *Meet a Member in December*

We all wish the Coronavirus would disappear, and our traditional holiday party was still going to take place. That is not a reality for us this year. However, we have been fortunate to stay virtually connected through Zoom, and many groups report a high level of participation.

Meet a Member in December, is encouraging members to get together for lunch while, at the same time, limiting the number gathering to four or less. We strongly recommend all participants abide by current safety standards such as wearing a mask, choosing a restaurant that follows capacity and seating restrictions, and satisfies your personal level of comfort. Here are the rules to follow so everything runs smoothly:

1. Contact Rose Ennis if you want to participate no later than November 15th. You will hear back from Rose by November 20th. Let her know if you are including your spouse/significant other in the response.  
***roseennis@att.net*** or **281-755-6483**.
2. Contact the member/s you have been given and arrange where and when you will meet during the first two weeks in December.
3. Take a picture at the venue and send it to Rose identifying who is in the picture, the name of the venue, and any other anecdotal information you want to share. Obviously, things can change if the city shuts down restaurants. In that case, each group might want to come up with another creative way to celebrate.

If you requested a complimentary mask this summer, have the new directory in hand, participated in our fall fundraising event benefitting AAUW's National Greatest Needs and/or the Baker/Telfer Scholarship programs, and availed yourself of the branch's monthly Zoom meetings, you are aware that we continue to focus on our strategic plans and will not be deterred by things out of our control!

*" 'Tis the season to Meet a Member in December "*
